

**STATEMENT BY THE BOARD OF DIRECTORS OF DRACE GEOCISA, S.A. ON
COMPLIANCE WITH COMPETITION LAW REGULATIONS**

That observance of and respect for national, European and international antitrust regulations is one of the fundamental pillars of the actions of DRACE GEOCISA, S.A. This commitment to honest and fair competition is present throughout the Company, stemming from its management and being transferred to all its employees and collaborators, as well as to its business partners and third parties with whom DRACE GEOCISA, S.A. relates in its daily activity.

That, DRAGADOS, S.A. as the Sole Administrator of DRACE GEOCISA, S.A. , as well as all the management personnel, are firmly committed to the culture of promoting and defending regulatory compliance within the Company and, in particular, to the culture of encouraging free, honest and fair competition, based entirely on the merits of the work carried out daily by all members of the organisation.

That, being aware that this commitment can only be fully guaranteed through the awareness and training of all members of the organisation, DRACE GEOCISA, S.A. intends to ensure the effectiveness of the compliance instruments, guaranteeing adequate, continuous training, adjusted to the degree of exposure to risk in matters of competition of the different groups of DRACE GEOCISA, S.A.

The Company deeply believes that the full awareness of the members of the organisation with the values of free competition is key to ensure the success of its current Criminal and Anti-bribery Compliance Management System and to maintain the professional excellence that defines DRACE GEOCISA, S.A.
